# Honolulu – Wildfire ESF-6 playbook

**Data as of 2026-10-28**

**County:** Honolulu · **Hazard:** Wildfire

**Planning aid. Supports, does not replace, county emergency plans. Not an official shelter list.**

## 1. Summary

**Calculated by open code from public data · see Sources (section 8)**

| | | |
|---|---|---|
| People in the risk area<br>**314,263** | May need a public shelter (likely)<br>**15,713** | May need a public shelter (low – high)<br>**6,285 – 35,197** |
| Speak English less than well (C)<br>**6,526** | Use power-dependent medical equipment (estimate) (M)<br>**1,893** | People with a disability (I)<br>**32,820** |
| Age 65 and older (I)<br>**55,563** | People in households without a car (T)<br>**16,852** | Hearing difficulty (C)<br>**11,184** |
| Vision difficulty (C)<br>**4,790** | Cognitive difficulty (memory, decisions) (I)<br>**13,869** | Age 65 and older, living alone (S)<br>**9,185** |
| Known 2026 shelter sites usable for this hazard<br>**7** | | |

Source: CDC/ATSDR Social Vulnerability Index 2022 (ACS 2018–2022 estimates), HHS emPOWER, FEMA National Risk Index v1.20; shelter rates: section 8.

Share of people in the risk area who may need a public shelter: low 2%, likely 5%, high 11.2%. One person can be counted in more than one need. Page 2 explains how to read these numbers.

## 2. Scope: county total vs. one community

**The county total is an upper bound.** It counts the 25% of Census areas in the county with the highest FEMA risk score for this hazard as hit at the same time. Real events usually hit fewer communities.

### Largest single community (the Census areas with the most people who may need a shelter)

| Community (Census area) | People in the risk area | May need a public shelter (low – likely – high) | Speak English less than well | Use power-dependent medical equipment (estimate) | People with a disability | Age 65 and older | People in households without a car |
|---|---|---|---|---|---|---|---|
| Kapolei<br>Census area 115 | 11,577 | 232 – **579** – 1,297 | 223 | 38 | 871 | 1,101 | 334 |
| Ocean Pointe<br>Census area 84.08 | 9,678 | 194 – **484** – 1,084 | 84 | 24 | 1,100 | 717 | 211 |
| East Kapolei / Makakilo<br>Census area 86.27 | 9,196 | 184 – **460** – 1,030 | 170 | 16 | 676 | 483 | 239 |

Source: people and needs – CDC/ATSDR Social Vulnerability Index 2022 (ACS 2018–2022 estimates), HHS emPOWER and FEMA National Risk Index v1.20; community names – 2020 Census blocks and places, spellings from USGS GNIS.

To plan for one community, use the first row.

## How to read this playbook

### Example row

| Community (Census area) | People in the risk area | May need a public shelter (low – likely – high) |
|---|---|---|
| Kapolei<br>Census area 115 | 11,577 | 232 – **579** – 1,297 |

Read it as: about 11,577 people live in the risk area of Kapolei. If this hazard hits, between 232 and 1,297 of them may need a public shelter; 579 is the likely number.

### Census area

A neighborhood-sized area the U.S. Census uses, usually 1,200–8,000 people. The number (for example "Census area 308") is its Census ID. Each area is named after the Census place where most of its people live. "near" means no one in the area lives inside a named place; "rural near" means most people live outside named places.

### Low – likely – high

The share of people in the risk area who may go to a public shelter: low 2%, likely 5%, high 11.2%. Where the rates come from: High = the share of Lahaina residents in shelters the day after the 2023 fire (1,418 of 12,702 people). Low and likely are team assumptions.

### Who has access and functional needs (CMIST)

- **C – Communication:** people who speak English less than well (they may need interpreters and translated messages), and people with hearing or vision difficulty.
- **M – Medical:** people who use power-dependent medical equipment (an estimate from HHS emPOWER).
- **I – Independence:** people with a disability, people with cognitive difficulty (memory, decisions) and people age 65 and older.
- **S – Safety and support:** people age 65 and older living alone, children and people living in group quarters (in the needs table).
- **T – Transportation:** people in households without a car.

### County total vs. one community

The county total counts the 25% of Census areas in the county with the highest FEMA risk score for this hazard as hit at the same time, so it is an upper bound. Use the "Largest single community" table to plan for an event that hits one community.

### Map

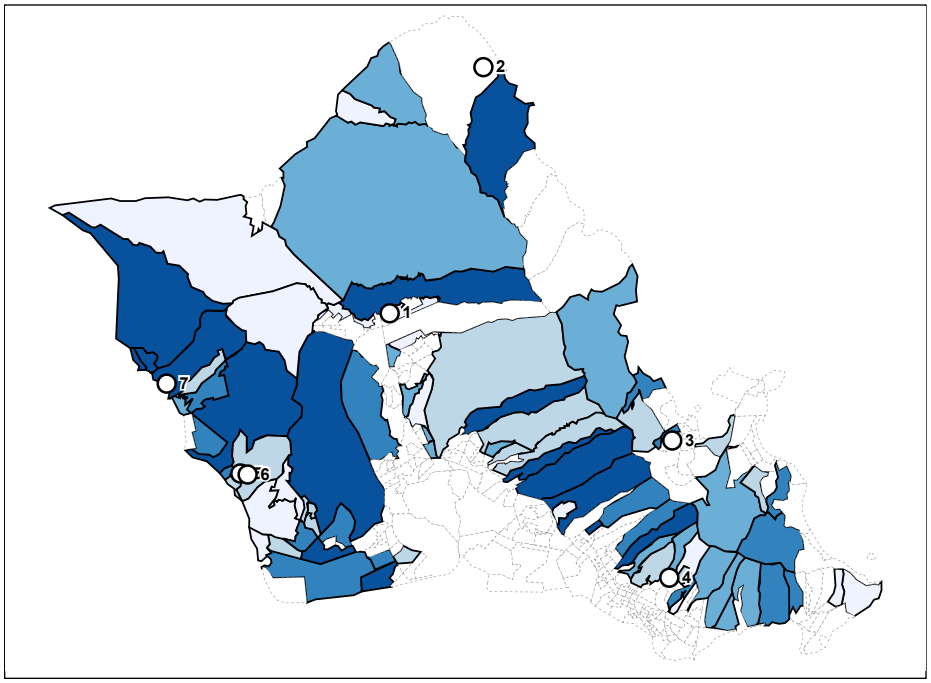

Darker blue means more people with needs, from "Lowest need" to "Highest need". A solid outline marks a Census area in the risk area; a dashed outline is outside it. Symbols: ○ usable site, △ check flood zone, ◇ flood risk not mapped, ⊠ not for this hazard. Numbers on the map match the site key.

### Why population numbers can differ

People in the risk area come from ACS 2018–2022 estimates (through the CDC Social Vulnerability Index 2022). Community names use 2020 Census counts. County totals in the plan use Census estimates for 2025. Each table names its source underneath.

**Every number is a planning estimate. In an event, follow county announcements.**

## 3. Map: people with needs and known sites

### Site key

**1** = George Fred Wright Wahiawā District Park (usable)
**2** = Kahuku Elementary School (usable)
**3** = Kāneʻohe District Park (usable)
**4** = Mānoa Valley District Park (usable)
**5** = Nānākuli Elementary School (usable)
**6** = Nānākuli High and Intermediate School (usable)
**7** = Waiʻanae District Park (usable)

- Lowest need (0–335 people)
- Lower (335–502 people)
- Middle (502–641 people)
- Higher (641–941 people)
- Highest need (941–3,144 people)
- Solid outline: Census area in the risk area
- Dashed outline: outside the risk area
- Usable site
- Check flood zone
- Flood risk not mapped (FEMA zone D)
- Not for this hazard

Color = people in the risk area who speak English less than well, use power-dependent medical equipment, have a disability, or live without a car (a person can be counted more than once). No street map: Census area outlines only.

Source: people and needs – CDC/ATSDR Social Vulnerability Index 2022 (ACS 2018–2022 estimates), HHS emPOWER and FEMA National Risk Index v1.20; community names – 2020 Census blocks and places, spellings from USGS GNIS.

**No 2026 activated site within a 15-minute drive (normal traffic)**, for sites usable for wildfire: 169 of 322 populated Census areas. With DOE candidate schools usable for this hazard: 8 of 322. This is not a statement that the area has no shelter: counties designate and open shelters for each event, and many public buildings are not on the 2026 list.

Drive-time matrix, per hazard: shortest drive from the area's land point to a 2026 activated site usable for that hazard on the same island; scenario 2 adds the 5 nearest DOE candidate schools usable for it. Site locations: U.S. Census Geocoder, checked against Esri ArcGIS World Geocoder. Travel times: Esri ArcGIS routing, normal traffic. Powered by Esri. Geocoding and routing: Esri ArcGIS Location Services.

## 4. Known sites (opened in 2026 events)

**Compiled from official county releases · verified by team**

| # | Status for this hazard | Site | Address | Why | Times opened in 2026 |
|---|---|---|---|---|---|
| 1 | ✓ **Usable** | George Fred Wright Wahiawā District Park | 1139-A Kilani Avenue, Wahiawā 96786 | No site check for this hazard | 1 |
| 2 | ✓ **Usable** | Kahuku Elementary School | | No site check for this hazard | 1 |
| 3 | ✓ **Usable** | Kāneʻohe District Park | 45-660 Keaʻahala Road, Kāneʻohe 96744 | No site check for this hazard | 1 |
| 4 | ✓ **Usable** | Mānoa Valley District Park | 2721 Kaʻaipū Avenue, Honolulu 96822 | No site check for this hazard | 1 |
| 5 | ✓ **Usable** | Nānākuli Elementary School | 89-778 Haleakala Avenue, Waiʻanae | No site check for this hazard | 1 |
| 6 | ✓ **Usable** | Nānākuli High and Intermediate School | | No site check for this hazard | 1 |
| 7 | ✓ **Usable** | Waiʻanae District Park | 85-601 Farrington Highway, Waiʻanae 96792 | No site check for this hazard | 1 |

Source: county announcements of sites opened in 2026; FEMA flood zones (Hawaiʻi Statewide GIS, State DFIRM); tsunami evacuation zones (Hawaiʻi Statewide GIS).

Site locations: U.S. Census Geocoder, checked against Esri ArcGIS World Geocoder. Travel times: Esri ArcGIS routing, normal traffic. Powered by Esri. Geocoding and routing: Esri ArcGIS Location Services.

Candidate public schools in this county usable for this hazard: **182**. Sites are places a county has opened before; not every site opens in every event. Always follow current county announcements.

### Care facilities in hazard zones

No facility-level zone screen for this hazard (the same as for shelter sites). Care facilities in this county: 327.

Source: CMS Provider Data Catalog (dialysis facilities, nursing homes, hospitals; facility addresses only), located with Esri ArcGIS World Geocoder; zones: State tsunami evacuation zone and FEMA flood zones (Hawaiʻi Statewide GIS, State DFIRM).

Source: Ready Keiki Locator, all pre-K sites (Office of the Lieutenant Governor, published through Hawaiʻi Statewide GIS): licensed group child care, public pre-K and charter pre-K sites only – no family child care homes; zones: State tsunami evacuation zone and FEMA flood zones (Hawaiʻi Statewide GIS, State DFIRM).

## 5. Needs and proposed partners

Likely estimate. Roles are **proposed – to be confirmed with partner**. The pledged column stays blank until a partner confirms it.

| Need | How many | Unit | Proposed lead | Proposed support | Pledged by partner | Still needed |
|---|---|---|---|---|---|---|
| Cots / sleeping space | 15,714 | cots | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Floor space (≤72 h) | 314,263 | sq ft | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Floor space (≤2 weeks) | 628,526 | sq ft | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Water | 15,714 | gal/day | American Red Cross | Hawai‘i Department of Human Services (DHS), County Emergency Management, Hawai‘i Department of Education (DOE) – schools, The Salvation Army, Hawai‘i VOAD (Voluntary Organizations Active in Disaster), Faith-based organizations, Business community | — | confirm with partner |
| Meals | 31,427 | meals/day | American Red Cross | Hawai‘i Department of Human Services (DHS), County Emergency Management, Hawai‘i Department of Education (DOE) – schools, The Salvation Army, Hawai‘i VOAD (Voluntary Organizations Active in Disaster), Faith-based organizations, Business community | — | confirm with partner |
| Toilets (≤72 h) | 393 | toilets | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Toilets (≤2 weeks) | 786 | toilets | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Shelter staff | 1,086 | staff per shift | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies, Hawai‘i VOAD (Voluntary Organizations Active in Disaster), Office of Hawaiian Affairs (OHA), The Salvation Army, Philanthropy (foundations and donors), Business community | — | confirm with partner |
| Power outlets for power-dependent residents | 95 | outlets | Hawai‘i Department of Health (DOH) | County Emergency Management, Health care organizations (incl. managed health care), Utilities | — | confirm with partner |
| Accessible transport | 16,852 | people in no-vehicle households at risk | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Transportation (DOT), Business community, Other state and county agencies | — | confirm with partner |
| Pet space – dog households | 2,156 | households with a dog | County Emergency Management | Hawai‘i VOAD (Voluntary Organizations Active in Disaster) | — | confirm with partner |
| Pet space – cat households | 1,257 | households with a cat | County Emergency Management | Hawai‘i VOAD (Voluntary Organizations Active in Disaster) | — | confirm with partner |
| Children's area | 3,718 | children in shelter | County Emergency Management | Hawai‘i Department of Human Services (DHS), Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i Department of Education (DOE) – schools, Hawai‘i State Public Library System, American Red Cross, Faith-based organizations, Other state and county agencies, Hawai‘i Department of Health (DOH), Health care organizations (incl. managed health care), Philanthropy (foundations and donors) | — | confirm with partner |
| Interpreters – Ilocano | 61 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |

| Need | How many | Unit | Proposed lead | Proposed support | Pledged by partner | Still needed |
|---|---|---|---|---|---|---|
| Interpreters – Tagalog/Filipino | 60 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Chinese | 58 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Japanese | 42 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Korean | 24 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Vietnamese | 16 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Chuukese | 14 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Hawaiian | 4 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |
| Interpreters – Marshallese | 3 | people with limited English in shelter | Hawai‘i Department of Human Services (DHS) | County Emergency Management, Hawai‘i Emergency Management Agency (HI-EMA), Hawai‘i State Public Library System, Hawai‘i Department of Health (DOH), Office of Hawaiian Affairs (OHA), Faith-based organizations, Other state and county agencies | — | confirm with partner |

Source: likely estimate × planning factors (section 8; Florida Division of Emergency Management 2010; AVMA (2020 data) for pets).

**Service animals stay with their handler (ADA); not counted as pets.**

### Also plan for (county counts, not included in the totals above)

| Group | People | Detail | Date |
|---|---|---|---|
| People experiencing homelessness (Point-in-Time count) | 4,539 | O‘ahu, sheltered and unsheltered, one-night count | 2026-01-26 |
| Visitors on island (average per day) | 107,479 | O‘ahu | 2025 (annual average) |
| People in dam evacuation zones | 37,250 | State dam evacuation zones | zones fetched 2026-10-28 |

Source: Point-in-Time counts – Bridging the Gap 2026 report (Hawai‘i, Maui, Kaua‘i; night of Jan 25, 2026) and Partners In Care 2026 count for O‘ahu as released by the City and County of Honolulu; visitors – DBEDT State of Hawai‘i Data Book 2025, Table 7.06. Details: section 8.

State dam evacuation zones show the area that could flood if a dam fails; they are planning zones, not a forecast.

Source: State of Hawai‘i dam evacuation zones (published through Hawai‘i Statewide GIS). People = share of each Census area inside a zone × its population, the same method as for the tsunami zone. Shares of people are 2020 Census block populations whose block internal point is inside (Census TIGER internal points), divided by the Census area's 2020 block population; the share is then applied to the area's population.

**Who else to plan for**

- **Domestic-violence survivors:** Served through confidential providers; no counts by design.
- **Off-grid households:** No public Census-area data; county and health partners to supply.
- **People on dialysis or receiving home care:** No public Census-area data; county and health partners to supply.
- **Earthquake:** Not modeled; listed as a limitation in the plan.
- **Caregivers and personal care attendants:** Stay with the person they support; count them for cots, meals and space.
- **Behavioral health:** Mental-health staff at each shelter (ratio: section 8).
- **Ni‘ihau:** Privately owned island, no public shelter; plan with the landowner and Kaua‘i County.
- **Families afraid to seek shelter (including immigrant families):** The county publishes who may use shelters; trusted community messengers share it.

## 6. Decision points

Proposed – supports, does not replace, county plans.

| When | Trigger | Action | Owner (proposed) | Support |
|---|---|---|---|---|
| **BEFORE** | Annual pre-positioning review (no official product)<br>County (sets the date) | PRE-POSITION: identify shelters outside the highest-risk wildfire tracts, pre-arrange accessible transport and pet space, approve multilingual evacuation templates, confirm generator power for AFN shelters. | County Emergency Management (each county) | Hawai'i Department of Human Services (DHS), Hawai'i Department of Health (DOH), American Red Cross, Hawai'i VOAD (Voluntary Organizations Active in Disaster) |
| **BEFORE** | Red Flag Warning<br>NOAA NWS Honolulu | Alert priority tracts; stage accessible transport; confirm shelter staffing and pet space. | County Emergency Management (each county) | Hawai'i Department of Transportation (DOT), Hawai'i Department of Human Services (DHS), Hawai'i Department of Health (DOH) |
| **BEFORE** | Before each season: who may use shelters (no official product)<br>County (sets the date) | County confirms and publishes who may use shelters and what ID is needed; trusted community messengers share it. | County Emergency Management (each county) | Hawai'i Department of Human Services (DHS), Faith-based organizations, Office of Hawaiian Affairs (OHA), Hawai'i VOAD (Voluntary Organizations Active in Disaster) |
| **DURING** | County evacuation order<br>County emergency management | Open shelters/refuge outside the fire area; run accessible transport; issue multilingual messages through all channels. | County Emergency Management (each county) | American Red Cross, Hawai'i Department of Human Services (DHS), Faith-based organizations, Office of Hawaiian Affairs (OHA) |
| **AFTER** | Warning cancelled or all clear<br>County / NWS / PTWC | Recovery sheltering, feeding, mental health support, donations and volunteer management. | American Red Cross | Hawai'i VOAD (Voluntary Organizations Active in Disaster), The Salvation Army, Hawai'i Department of Health (DOH), Faith-based organizations |

Source: National Weather Service, Central Pacific Hurricane Center and Pacific Tsunami Warning Center product definitions (links: section 8).

## 7. Priority outreach and languages

### Top 10 Census areas by number of people with needs

| # | Community (Census area) | People in the risk area | Use power-dependent medical equipment (estimate) | People with a disability | Speak English less than well | People in households without a car | Needs total (a person can be in more than one column) |
|---|---|---|---|---|---|---|---|
| 1 | Waiʻanae<br>Census area 97.07 | 6,622 | 31 | 1,178 | 68 | 1,867 | 3,144 |
| 2 | Urban Honolulu<br>Census area 67.04 | 7,339 | 53 | 870 | 258 | 996 | 2,177 |
| 3 | Urban Honolulu<br>Census area 63.02 | 3,183 | 11 | 379 | 418 | 1,044 | 1,852 |
| 4 | Mākaha<br>Census area 98.03 | 3,162 | 14 | 480 | 657 | 481 | 1,632 |
| 5 | Urban Honolulu<br>Census area 45 | 4,955 | 56 | 585 | 100 | 884 | 1,624 |
| 6 | Whitmore Village<br>Census area 91 | 5,048 | 34 | 730 | 379 | 462 | 1,605 |
| 7 | Kapolei<br>Census area 115 | 11,577 | 38 | 871 | 223 | 334 | 1,466 |
| 8 | Ocean Pointe<br>Census area 84.08 | 9,678 | 24 | 1,100 | 84 | 211 | 1,420 |
| 9 | Mākaha<br>Census area 98.04 | 3,486 | 15 | 697 | 8 | 680 | 1,400 |
| 10 | Pearl City<br>Census area 80.05 | 6,267 | 55 | 706 | 243 | 382 | 1,386 |

Source: people and needs – CDC/ATSDR Social Vulnerability Index 2022 (ACS 2018–2022 estimates), HHS emPOWER and FEMA National Risk Index v1.20; community names – 2020 Census blocks and places, spellings from USGS GNIS.

### More needs in the largest communities

| Community (Census area) | Hearing difficulty | Vision difficulty | Cognitive difficulty (memory, decisions) | Age 65 and older, living alone |
|---|---|---|---|---|
| Kapolei<br>Census area 115 | 243 | 99 | 330 | 119 |
| Ocean Pointe<br>Census area 84.08 | 268 | 132 | 462 | 49 |
| East Kapolei / Makakilo<br>Census area 86.27 | 156 | 203 | 158 | 72 |

Source: ACS 2020–2024 5-year Census-area tables B18102 (hearing), B18103 (vision), B18104 (cognitive) and B09020 (age 65 and older living alone), times the share of each area in the risk area; homes in 10+ unit buildings: CDC/ATSDR SVI 2022 (E_MUNIT, housing units).

### How to reach residents

| Channel | Owner (proposed) | Support (proposed) |
|---|---|---|
| Official alerts: Wireless Emergency Alerts / Emergency Alert System and county alert sign-ups | County Emergency Management (each county) | Hawaiʻi Emergency Management Agency (HI-EMA) |
| Broadcast radio, including in-language programs where available | County Emergency Management (each county) | Hawaiʻi Emergency Management Agency (HI-EMA) |
| Outdoor warning sirens: a signal to turn on radio, TV or phone alerts for instructions | Hawaiʻi Emergency Management Agency (HI-EMA) | County Emergency Management |
| Trusted community messengers: faith-based groups, Native Hawaiian organizations, health care providers, community nonprofits | Hawaiʻi Department of Human Services (DHS) | Faith-based organizations, Office of Hawaiian Affairs (OHA), Health care organizations (incl. managed health care), Hawaiʻi VOAD (Voluntary Organizations Active in Disaster) |
| Printed notices at shelters, libraries and schools, in the county's top languages | County Emergency Management (each county) | Hawaiʻi State Public Library System, Hawaiʻi Department of Education (DOE) – schools |

Source: proposed channels and formats in the plan's communication pathways – supports, does not replace, county and State public-information plans.

Populated Census areas whose land point is farther than 3,400 ft from every outdoor siren (HI-EMA manufacturer rating; actual range varies): **110**.

**Populated Census areas with less than 50% of people within rated siren range (74): prioritise WEA, radio and trusted messengers.** East Honolulu (1.15, 1.16, 1.18, 1.21, 2, 4.01); Helemano / Haleʻiwa (100); Hickam Housing (71, 73.02, 9819); Kahaluʻu (103.03); Kailua (111.04); Kalaeloa (85.02); Kaneohe Base (9817, 9818.01, 9818.02, 9818.03); Ko Olina (86.10); Kāneʻohe (105.08, 105.09); Makakilo (86.30, 86.31, 86.34); Mililani Mauka (89.31); Mākaha (98.01); Nānākuli (9400.05, 9400.07); Pearl City (78.09, 78.14, 78.15, 114.01); Royal Kunia (89.34, 89.50); Schofield Barracks (95.07, 95.08, 95.09, 95.10, 95.11, 95.12); Urban Honolulu (10, 12.01, 22.06, 23.01, 27.01, 28.01, 29, 46, 65, 67.04, 68.11, 68.12, 68.13, 68.14, 68.15, 68.18, 68.19, 69, 70.01, 70.02, 9802, 9813, 9820); Wahiawā (94.01); Waipahu (87.05, 88.02); Waipiʻo Acres (89.39); Waiʻanae (97.06); Wheeler AFB (90); near Hālawa (74); near Kailua (9811); near Ko Olina (86.11); near Pearl City (9822); near Schofield Barracks (9806); rural near Waiʻanae (97.04)

Source: Hawai'i Emergency Management Agency public siren map (locations of permanent outdoor warning sirens; no live status). Rated range: 3,400 feet, the manufacturer rating published by the Hawai'i Emergency Management Agency; the real range varies with terrain, buildings and weather. In range: within 3,400 feet of a siren, the same method as for the tsunami zone. Shares of people are 2020 Census block populations whose block internal point is inside (Census TIGER internal points), divided by the Census area's 2020 block population; the share is then applied to the area's population.

**Accessible formats for every message:**

- **ASL video:** short American Sign Language video of each message
- **Captions:** captions on every video and broadcast
- **Large print:** printed notices in large print
- **Plain language:** short sentences, one action at a time
- **Screen-reader-friendly text:** plain text or tagged web pages, not images of text

### Languages: people age 5 and older who speak English less than "very well" (Honolulu)

| Language | People | Margin of error (90%) |
|---|---|---|
| Ilocano | 21,729 | ±1,818 |

## 8. Sources and assumptions

### Planning factors

| Factor | Value | Source or team assumption |
|---|---|---|
| Shelter-seeking rate – Hurricane | 2% / 3% / 5% | South Carolina EMD, 2026 Hurricane Response Annex G (planning factors 2%, 3%, 5%) |
| Shelter-seeking rate – Wildfire | 2% / 5% / 11.2% | high = observed Maui 2023: 1,418 people in shelters on Aug 11, 2023 (Maui Now) / Lahaina CDP population 12,702 (2020 Census) = 0.1116, rounded to 3 decimals = 0.112 (so the calibration event falls inside the band). low and central are Team assumption. |
| Shelter-seeking rate – Tsunami | 2% / 5% / 11% | Team assumption: central 5%; low 2% = hurricane planning factor (SCEMD); high 11% = observed Maui 2023 no-notice total-loss rate |
| Shelter-seeking rate – Inland flooding | 2% / 5% / 11% | Team assumption: central 5%; low 2% = hurricane planning factor (SCEMD); high 11% = observed Maui 2023 no-notice total-loss rate |
| Shelter-seeking rate – Coastal flooding | 2% / 5% / 11% | Team assumption: central 5%; low 2% = hurricane planning factor (SCEMD); high 11% = observed Maui 2023 no-notice total-loss rate |
| Footprint – Hurricane | Every Census area | Hurricanes affect whole islands (Lala, Lowell 2026). |
| Footprint – Tsunami | Share living inside the tsunami evacuation zone | Population share inside the State standard tsunami evacuation zone. Extreme zone is reported separately. |
| Footprint – Wildfire | Top 25% of Census areas by FEMA risk score | Counties lead mass care, so each county plans for its own highest-risk tracts (Team assumption). |
| Footprint – Inland flooding | Top 25% of Census areas by FEMA risk score | Counties lead mass care, so each county plans for its own highest-risk tracts (Team assumption). |
| Footprint – Coastal flooding | Top 25% of Census areas by FEMA risk score | Counties lead mass care, so each county plans for its own highest-risk tracts (Team assumption). |
| Floor sqft 72h | 20 | Florida DEM Sheltering Guidance Aid (2010): emergency evacuation shelter, <=72 h |
| Floor sqft 2wk | 40 | Florida DEM (2010): short-term shelter, <=2 weeks |
| Water gal per day | 1 | Florida DEM (2010) |
| Meals per day | 2 | Florida DEM (2010): two hot meals a day plus snacks |
| Persons per toilet short term | 20 | Florida DEM (2010): short-term shelter, <=2 weeks |
| Power outlets per power dependent person | 1 | Team assumption |
| Persons per toilet 72h | 40 | Florida DEM (2010): emergency evacuation shelter, <=72 h |
| Staffing ratios (one staff member per N residents) | client registration 1:165, dormitory management 1:100, meal service 1:110, mental health 1:250, public health medical 1:200, security 1:100, sanitation 1:200, children area 1:12 | One staff member per N shelter residents, minimum 1 when the shelter is open. Florida DEM (2010) staffing metrics; the source marks them as recommendations. |
| Dog owning household share | 0.446 | AVMA U.S. pet ownership statistics (2020 data). Verified in 2022 AVMA Pet Ownership and Demographics Sourcebook, p. 3: 'Dog ownership increased by 6% from 38.4% (2016) to 44.6% (2020)'. The first url did not resolve when checked 2026-10-27. |
| Cat owning household share | 0.26 | AVMA (2020 data). Verified in 2022 AVMA Pet Ownership and Demographics Sourcebook, p. 3: 'Cat ownership increased slightly from 25% in 2016 to 26% in 2020'. |

## 9. Results

- **Coverage:** 436 of 436 Census areas have needs data (FEMA risk data joined for 435 of 436). Source: coverage check of the needs layer (CDC SVI 2022, FEMA NRI v1.20).
- **Backtest – Lahaina wildfire (2023-08-11):** observed 1,418 people in shelters; model 254 / 635 / 1,423 (low / likely / high). This is a calibration event, not validation: the high rate was set from it. Source: Lahaina 2023 backtest (Maui Now count of people in shelters).
- **Time:** a full rebuild from local data (14 steps, 20 scenarios, 20 playbooks) took 44.0 seconds on Apple M4 (2026-10-28). Team-assumed baseline without this tool: 2 working days per county per event. Sources: timed full rebuild from local data; Team assumption, to be confirmed with DHS in a timed tabletop exercise.
